Notified Body:	Not applicable	
Classification:	PPE Category I (Simple Design)	
Applicable Norms:	Council Directive 89/686/EEC Articles 8 (3) Self Declaration General Requirements for Gloves (EN420:2003 + A1:2009).	

SHIELD Scientific B.V., Dr Willem Dreeslaan 1, 6721 ND BENNEKOM, The Netherlands declares that the new Personal Protective Equipment: Protective Gloves for Minimum Risks, Model SHIELD Scientific ecoSHIELD™ Natural PF 240 (Product Codes as mentioned above) is in conformity with the provisions of Council Directive 89/686/EEC and with the Essential Requirements of Annex II (Basic Safety and Health Requirements).

The CE marking is carried out as per Article 8 (3) for self-declaration of Personal Protective Equipment providing protection against Minimum Risks and is based on the existing Technical Documentation according to Annex III of the Council Directive.

Intended Use:
The Glove shall protect the wearer against mechanical action whose effects are superficial; cleaning materials of weak action and easily reversible effects; risk encountered in the handling of hot components which do not expose the user to a temperature higher than 50°C; minor impacts and vibrations which do not effect vital areas of the body and whose effect cannot cause irreversible lesions, atmospheric agents of a neither exceptional nor extreme nature and is not intended for prolonged direct exposure to harsh chemicals.

CAUTION: These gloves should not be used for mechanical and/or thermal protection.

FIT FOR SPECIAL PURPOSE - SIZE AND LENGTH: Size 9 (L) is shorter than that required by EN420:2003 + A1:2009. These gloves are intended for use in light-duty manufacturing and other industrial applications, where the demand for the advantages of a shorter glove outweighs the need for additional length.

This declaration is valid for the above product in its original, unmodified, unopened and undamaged packaging of the smallest unit.
